Your new Aetna® ID card should arrive soon.

Look for a **purple** envelope that clearly states, "Your new member ID card is enclosed."

We're upgrading the system we use to administer your health plan. That means some basic information, including your member ID number, will change. Because of this, we will send you a new Aetna Medicare PPO ID card. Keep an eye on your mail so you don't miss it.

It's important to show your new card to your providers any time you receive medical care in 2022. And remember to replace your current ID card with your new ID card on January 1, 2022.

Questions? Give us a call at the number on your ID card.

SPOUSAL CARVE OUT **MEDICARE**

If an employee's spouse is eligible for health coverage under his/her employer sponsored plan, the spouse is NOT eligible for coverage under the County's medical plan. Annually, retirees will attest to whether their spouse is eligible for health coverage when enrolling in benefits.

In order for a retiree to cover his/her dependents through Shelby County Government's health insurance plan, the retiree must be covered under the plan. Shelby County Government offers health coverage to eligible retirees and their dependents, not to dependents only. This does not affect spousal benefits for retirees who currently have health coverage.

As a participant in Shelby County Government's health insurance plan, it is a requirement that retirees and their dependent(s) obtain Medicare Part A & Part B approximately 3 months prior to turning 65. It is a requirement, if eligible, that any retiree or dependent who is currently disabled, or becomes disabled, must also apply for Medicare Part A & B. Please contact your local Social Security Office for further information regarding Medicare.
