SPOUSAL CARVE OUT

If an employee's spouse is eligible for health coverage under his/her employer sponsored plan, the spouse is NOT eligible for coverage under the County's medical plan. Annually, retirees will attest to whether their spouse is eligible for health coverage when enrolling in benefits.

In order for a retiree to cover his/her dependents through Shelby County Government's health insurance plan, the retiree must be covered under the plan. Shelby County Government offers health coverage to eligible retirees and their dependents, not to dependents only. This does not affect spousal benefits for retirees who currently have health coverage.

Medicare

MEDICARE INFORMATION

As a participant in Shelby County Government's health insurance plan, it is a requirement that retirees and their dependent(s) obtain Medicare Part A & Part B approximately 3 months prior to turning 65. It is a requirement, if eligible, that any retiree or dependent who is currently disabled, or becomes disabled, must also apply for Medicare Part A & B.
