

SHELBY COUNTY GOVERNMENT RETIREE CONNECTION

A monthly newsletter brought to you by the Shelby County Government Retirement Office Volume 2, Issue 10 October, 2022

In order to better serve our retirement community, the Retirement Office has changed some of the processes and the way your personal information is updated. The biggest threat is identity theft and fraud. Your Retirement Team is here to ensure that we are doing everything possible to prevent this from happening to you.

Our Office will immediately begin following the procedures below when updating your information. For example, changes to your direct deposit, address, W-4P, etc.

All Requests must be in writing and include your full name, the last four of your SSN, and a contact number to reach you.

Direct Deposit Change

You will be required to provide a voided check with your name and account number printed on it or a letter from your bank with the bank's letterhead containing the routing number and account number. **STARTER CHECKS, DEPOSIT SLIPS, OR PRE-PAID CARDS CANNOT BE ACCEPTED.**

Address Change

You must provide your old and new mailing address.

WP4

Your tax form must be complete with your signature.

NOTE:

The Retirement Office will follow up with a phone call to verify any information we receive for a change.

SPOUSAL CARVE OUT

If an employee's spouse is eligible for health coverage under his/her employer sponsored plan, the spouse is NOT eligible for coverage under the County's medical plan. Annually, retirees will attest to whether their spouse is eligible for health coverage when enrolling in benefits.

In order for a retiree to cover his/her dependents through Shelby County Government's health insurance plan, the retiree must be covered under the plan. Shelby County Government offers health coverage to eligible retirees and their dependents, not to dependents only. This does not affect spousal benefits for retirees who currently have health coverage.

Retirees 65 & Over with Medicare Part A & B

Medicare beneficiaries can obtain up to eight Covid-19 tests per calendar month from participating pharmacies and health care providers for the duration of the COVID-19 public health emergency.

Medicare Members should show their red, white, and blue Medicare card at a participating pharmacy or provider, not their Aetna Medicare Advantage card. Pharmacies and healthcare providers will bill Medicare directly to allow Medicare beneficiaries to receive tests at no cost to them.
