### WE'VE HEARD GOOD REVIEWS!! AETNA MEAL DELIVERY PROGRAM

Thank you, retiree Lynn Friedman, for your good review of the Aetna Meal Deliver program on the SCORE Facebook page! We're excited to hear this service worked well for you!

Take advantage of this service when you return home after an inpatient hospital stay at no extra cost. Having your meals taken care of may help you on your journey to recovery and lower your chance of hospital readmission. Your Aetna nurse will coordinate a delivery of up to 14 nutritious meals directly to your home.

***Ms. Friedman states that she had to stay overnight in the hospital after a procedure and decided to give the Aetna Meal Delivery program a try. Here are a few of Ms. Friedman's comments.***

***"Much to my surprise, I received more than expected.***

***So far, the taste hasn't been bad either!"***

***"Chicken Marsala wasn't bad!" Much better than hospital food!"***

## 2023 FEDERAL TAX WITHHOLDING CHANGES

The IRS released a revised Form W-4P (Withholding Certificate for Periodic Pension or Annuity Payments) that includes substantial changes to the federal tax withholding elections.

**These changes are effective January 1, 2023. Shelby County retirees and beneficiaries who already receive ongoing payments and who do not wish to make changes to their federal tax withholding elections are not required to file a new form.**

Our system has been updated to convert your 2022 withholding elections to the new 2023 calculation method. However, if you wish to make changes to your withholding status, on or after January 1, 2023, you will be required to use the new 2023 W-4P form. To obtain the new 2023 W-4P form, visit [www.irs.gov](http://www.irs.gov) or you may contact our office.

**PLEASE BE ADVISED: Shelby County Retirement System staff members are not tax advisors and cannot advise or assist you with completion of the new 2023 W-4P form. For assistance, please contact your tax professional or the IRS for guidance.**

As a participant in Shelby County Government's health insurance plan, it is a requirement that retirees and their dependent(s) obtain Medicare Part A & Part B approximately 3 months prior to turning 65. It is a requirement, if eligible, that any retiree or dependent who is currently disabled, or becomes disabled, must also apply for Medicare Part A & Part B.
