Highlights...

POST 65 RETIREES

As part of your Humana retiree benefit package with Shelby County, you have access to important wellness benefits to help you feel your best. The best part about these benefits? They are no cost to you!

These visits include annual medical testing, vaccines, medication management, nutrition guidance, and more.

Think of healthcare like a puzzle. If you are not completing these annual visits, it creates gaps in care, like missing puzzle pieces.

Schedule your appointment by calling your dedicated team of RetireeFirst Wellness Advocates at the number below and complete your healthcare puzzle.

NOTE: Over the next few weeks, RetireeFirst will be connecting with retirees through phone calls and emails to encourage participation in Humana's wellness initiatives.
